## Fund Finance

Ogier's CAYLUX fund finance offering is a collaboration between our Cayman and Luxembourg fund finance teams specifically aimed at lenders and their counsel active in the fund finance space. Our CAYLUX team is able to offer combined Cayman and Luxembourg legal advice for all types of fund finance transactions.

### Ogier's CAYLUX fund finance team can provide:

One team for Cayman and/or Luxembourg fund finance matters

Ogier's established reputation for acting for banks and financial institutions and we are listed as approved local counsel with many banks

A proactive consistent approach with the Ogier service levels that you expect

A well-staffed team of transactional experts that understand funds and the local counsel role

Luxembourg legal advice from Cayman and within US time zones. Cayman legal advice within European time zones

By minimising duplicative local counsel costs and reducing inefficiencies our combined team is able to offer better value to lenders (and ultimately fund borrowers)
