

Ogier proud to support Channel Islands Pride 2023

News - 06/09/2023

Ogier has signed on as a Gold Sponsor of Channel Islands Pride this year as a demonstration of its continued support for the LGBTQ+ community.

Taking place on Saturday 16 September 2023 at People's Park in St Helier, Jersey, the essence of Channel Islands Pride is acceptance and celebration of diversity.

You'll be able to find Ogier in the Community Zone alongside charities and organisations providing services to the local community.

Global managing partner and sponsor of Ogier's diversity, equity and inclusion strategy, Edward Mackereth, said: "We're delighted to be taking such a key role in this year's Channel Islands Pride.

"Sponsorship ensures that the event can stay free of charge, and therefore welcoming and inclusive of everyone.

"At this year's Channel Islands Pride we're pleased to be alongside so many great charities in the Community Zone. Being able to help these organisations gain a platform to meet and speak with the wider community is so important.

"For corporate support of Pride to be effective, though, it must be backed by tangible action by businesses. LGBTQ+ inclusion is a core pillar of Ogier's diversity, equity and inclusion strategy and after significant investment in learning and development over several years our new global LGBTQ+ and Allies network is gaining traction and becoming a great source of support and allyship.

"Personally, I would like to wish all of my LGBTQ+ colleagues a very happy Pride."
