

At a Glance guide to Cayman Trustee Solutions for Unit Trusts

Ogier's corporate administration business, Ogier Global, works with our partner-led legal teams specializing in all aspects of the structuring and establishment, governance, regulation and operation of Cayman Islands alternative investment funds.

Ogier Global's Cayman trustee team has a long and successful track record servicing unit trust structures. Our senior team members have many years of combined experience in the offshore finance sector and are focused on providing the highest level of personal service, working collaboratively with clients and delivering commercial solutions in the most efficient way.

The Cayman trustee team makes up one of the most experienced independent Cayman trustees in the Japan-focused market where Cayman unit trusts remain a popular structure for investment funds.

The Ogier Global team has worked with most of the major financial institutions in Japan with the strongest exposure within the Japanese asset management (investment trust) market in both private placement and retail offerings. The team also services clients outside of Japan including out of Hong Kong, Singapore and the US.
