

James Campbell named in eprivateclient 2023 50 Most Influential

News - 16/01/2023

Ogier partner James Campbell has been named a key player in the UK and offshore private client practitioner sector by eprivateclient in their prestigious 50 Most Influential list for the fifth time.

James' inclusion in the list follows a rigorous judging process, which considered candidates' achievements in the past 12 months. The list highlights "the depth of talent at the forefront of the private client professions today. Those that have made it onto the list are the leaders when it comes to providing the best possible advice and service for clients and driving innovation in the way the needs of wealthy individuals are met."

This recognition is the latest in a series of industry accolades for James and Ogier's Private Wealth team. Recently, James has been listed in the Private Client Global Elite and named a "leading individual" by Legal 500. Meanwhile, Ogier's Private Wealth team has received top-tier rankings in eprivateclient, Legal 500 and Chambers and has been named Offshore Law Firm of the Year at the Chambers HNW awards and the eprivateclient excellence awards.

James said: "I'm delighted and honoured to receive this industry and client recognition once more. Thank you to those who proposed my inclusion in this prestigious list."

"All individual accolades have a team effort behind them, and so I would also like to thank Ogier's Private Wealth team for their essential role in our success as a market-leading service line."
