

We are sponsoring Context365 by Apex as it returns to Miami. This in-person event will bring together qualified investors and alternative investment managers for three full days of productive, prescheduled one-on-one meetings along with networking opportunities.

Funds Partners [Emma Sutherland](#) and [Tim Cone](#), Senior Associate [Ridhiima Kapoor](#), and Independent Director [James Macfee](#) will be in attendance. If you would like to connect with them at the event, please reach out.
