

We are sponsoring Context365 by Apex as it returns to Miami. This in-person event will bring together qualified investors and alternative investment managers for three full days of productive, prescheduled one-on-one meetings along with networking opportunities.

Funds Partners <u>Emma Sutherland</u> and <u>Tim Cone</u>, Senior Associate <u>Ridhiima Kapoor</u>, and Independent Director <u>James Macfee</u> will be in attendance. If you would like to connect with them at the event, please reach out.
