Ogier is a global network of legal service providers and corporate administration service providers each operating under the name Ogier or Ogier Global respectively. Ogier Legal Limited Partnership is a group co-ordinating entity and neither advises on the laws of any jurisdiction nor provides any corporate administration services to clients. In each jurisdiction in which Ogier operates, separate entities or undertakings provide the services as described below.

Last updated: October 2024

Legal Services

In respect of the legal services provided by Ogier, separate legal or limited liability partnerships advise on the laws of the British Virgin Islands, the Cayman Islands, England & Wales, Guernsey, Ireland, Jersey and Luxembourg. These legal practices do not provide corporate administration services.

Although the separate legal or limited liability partnerships are part of the Ogier network, the relevant partnership which is providing the legal advice is solely and exclusively responsible for providing those services. Unless agreed otherwise the [Terms and Conditions](#) apply to all instructions we receive to provide legal services and apply whether or not an engagement email or letter has been issued.

The term "partner" is used to refer to a member or partner of one of Ogier's network firms or an employee or consultant with equivalent standing and qualifications.
