Ogier Global

Background and experience

Gavin joins from a FTSE 250 Company as a director within the Corporate and Executive Incentive Business. With more than 18 years' experience in Jersey's financial services industry, Gavin has extensive knowledge in operations, and in the provision of expert administration and fiduciary services across global multi asset class structures. He also specialises in executive incentive schemes, deferred compensation plans and International Pension Plans. Gavin has sat on a number of corporate boards and acted as Trustee for various Executive Incentive Plans. In addition, Gavin has experience supporting global product development, divisional business development and client relationship management.

Gavin is a qualified member of STEP.
