

Ogier advises clients on successful Nasdaq IPOs

Deals - 17/04/2023

This month saw three of Ogier's clients successfully list on The Nasdaq Capital Market, raising a combined US\$31.41 million.

Ogier provided legal counsel to Chanson International Holding, Hongli Group Inc, and Shengfeng Development Limited, advising on all Cayman Islands legal aspects of the initial public offerings (IPOs) including pre-offering corporate and capital restructures.

Ogier's global equity capital markets team provides high-quality advice to clients in Asia looking to list on stock exchanges in the United States. The firm's experience in complex cross-border transactions and its deep understanding of the intricacies of capital markets has made it a top choice for clients looking to raise capital through IPOs and other financing transactions.

"The success of these IPOs is a positive sign for equity capital markets and we are thrilled to have been a part of these successful transactions and to have provided comprehensive legal advice to our clients," said Bradley Kruger, the lead partner on the transactions.

"Our ability to work effectively with counsel from multiple jurisdictions and to provide tailored legal advice to our clients is a testament to our deep expertise in Cayman Islands law and understanding of international equity capital market transactions. We look forward to continuing to work with clients on cross-border transactions and providing the highest quality legal advice."
