

The Women in Private Markets Summit is the leading fundraising and networking event for women in the world of alternatives. This event brings together 800+ accomplished professionals from 50+ countries, creating a diverse network that transcends borders.

This year's summit will once again be co-located with the Women in Private Equity, Infrastructure, Real Estate, and Private Debt Forums.

Sophie Reguengo (Partner) and Amy Garrod (Managing Associate) will be attending. Please don't hesitate to get in touch with Sophie or Amy to arrange a meeting.
