

Ogier named Offshore Firm of the Year at The Lawyer European Awards 2023

News - 24/11/2023

Ogier has been named Offshore Firm of the Year at The Lawyer European Awards 2023.

Now in its 14th year, The Lawyer European Awards recognise and celebrate the very best of the European legal market. Ogier beat five other firms to the title, winning the award for its outstanding approach to client service, legal excellence, firm-wide growth and market-leading initiatives.

In the past year, Ogier has continued to challenge the status quo through its commitment to diversity, equity and inclusion, and sustainability. The firm also expanded its unique global footprint to further strengthen its client proposition, and launched Ogier Regulatory Consulting, providing advisory services alongside legal regulatory specialists.

It's another major industry win for Ogier, having recently been named Best Offshore Law Firm for second year running by HFM Asian Services Awards 2023, Offshore Law Firm of the Year at ALB Hong Kong Law Awards 2023, and Best Offshore Law Firm at the Annual WealthBriefing European Awards 2023.

Ogier's global managing partner, Edward Mackereth, said: "I'm really proud of what we've achieved this year - building out our offering in Ireland, establishing our regulatory consultancy, opening a full service offering in Dubai, and securing SBTi accreditation for our carbon reduction journey. We are seeing fantastic growth across our jurisdictions and practice areas as we continue to demonstrate our commitment to putting our clients at the centre of what we do. Our success is a real team effort, so I'd like to thank everyone across our services - this award is a testament to your hard work and continued drive."

The Lawyer European Awards took place at The Grosvenor House, London. Investment Funds partner Richard Bennett and Head of Client Intelligence Tracey Rodgers accepted the award on behalf of the firm.
