

This webinar was recorded: [The Evolution of ESG and Sustainable Finance Regulations in the UAE](#)

Join [Ogier](#) as we discuss the evolution of ESG and Sustainable Investment in the region and learn more about the global regulatory trends.

Alongside the [Sustainable Investment Consulting team](#), we shall be joined by colleagues from our [Ogier Regulatory Consulting](#).

During the webinar we will discuss:

- International trends in sustainable investing and recent commitments in the UAE, we will unpack the [Principles for the effective management of climate-related financial risks](#)(the Principles) - recently adopted by four financial regulators in the UAE. We discuss the potential implications for investors in the region and how to take practical steps today to get ready.
