

Our Corporate and M&A partners Bertrand Gérardin and Laurent Thailly will attend the 12th IBA European Corporate and Private M&A Conference which will take place in Paris on 8-9 February.

Topics include:

- Anything new? Current developments in European private M&A
- Up in the air!? Evolution of main terms and economics in European private equity deals
- Rough times in the past and ahead! A fireside chat with a European business leader
- Enhancing best practice - life negotiation of foreign direct investment (FDI) terms
- Valuable or vicious? Navigating the wave of distressed M&A in Europe
- Orchestrating the deal - master class in European cross-border M&A
- Issues ahead: post-closing litigation, including price adjustment and warranty claims
- Refuse to lose - life pitch in front of a general counsel panel

The International Bar Association (IBA) conferences are a great opportunity for legal professionals worldwide to meet, share knowledge, build contacts and develop business.

Please get in touch with our partners if you would like to connect at the event.
