Background and experience

Josephine works closely with her Dispute Resolution colleagues in connection with trustee representations to court and her Investment Fund colleagues in relation to Jersey's private fund regime.

Josephine has been recognised in Chambers HNW, Chambers UK, Legal 500 UK, Legal Week Private Client Global Elite and by Citywealth as a Future Leader.

Clients say that Josephine "has a huge amount of Jersey trust experience and is able to provide first-rate trust advice (technical, trustee advisory, and associated areas) in a very short timescale" and a "go-to name for establishing family offices".

Josephine is an Advocate of the Royal Court of Jersey, a BVI Solicitor and a Scottish Solicitor; a member of The Society of Trust and Estate Practitioners (STEP); and a member of the Jersey Finance working party on Family Offices in Jersey.

Josephine contributes to various publications including Trust & Trustees, STEP Journal, Offshore Investment, Jersey Finance and e-private client and regularly presents to local trust companies. She is peer reviewer for 'Trust & Trustees: Foundations special edition'; co-author of the Jersey chapter of 'European Cross Border Estate Planning'; co-author of the Jersey chapter of 'Planning & Administration of Offshore & Onshore Trusts'; and a contributor to the Jersey chapter of International Succession Laws. Josephine has also spent time on secondment as in-house legal counsel to a local trust company.
