Background and experience

Ruth has more than 18 years' experience working in the aviation industry. She qualified with KPMG as a Chartered Accountant in 2006, where she worked on a range of audits for the leading aviation lessors. She subsequently worked with a global aviation asset management and investment firm for 10 years where she most recently held the position of head of finance.

Qualifications:

BCOMM: 1999 - 2002

ACA: 2004 - 2006
