Background and experience

Inesa's professional background includes experience in both fund administration and corporate services, with an extensive understanding of both regulated and unregulated investment frameworks

within the Luxembourg market.

In her previous role as a Conducting Officer for a Professional of the Financial Sector (PFS) entity, she was tasked with overseeing operations, attending to client needs, and steering the management of an office in Luxembourg.

Bringing over a decade of expertise in fund and corporate accounting, Inesa's career includes a tenure at a leading accountancy firm among the big four. She has lent her skills to a private equity firm that managed assets worth US\$7 billion.

Her experience extends to other central administration entities in Luxembourg, where she honed her skills in managing private equity funds, real estate investments, and grasped the intricacies of fund accounting and legal matters.

Inesa's academic credentials include a Master of Arts in International Business Finance and a Bachelor of Science in Business Management and Administration.
