

"What funding is available to startups?"

Ogier's corporate team, along with Tom Early, Enterprise Ireland's Head of Funding and Scaling team welcomes you to the next event in our Accelerator Series, focusing on the funding opportunities that are available to Irish business owners in the startup space - everything from supports available to the brand new startup, to Enterprise Ireland funding, to VC funding.

We welcome entrepreneurs and team leaders to join us for key insights offered by expert speakers - as well as coffee and pastries.

Places are limited! Please RSVP to Gareth.Ryan@ogier.com to reserve your place.
