

The Association of Luxembourg Fund Industry (ALFI) will be travelling to Frankfurt to hold its annual roadshow with German-speaking fund industry experts.

Discussions will address topics like regulation around cross-border distribution, the importance of ESG factors in the financial industry or the digital transformation in practice.

Ajda Genchsoy, Senior Associate in the Investment Funds team in Luxembourg, will be attending this event on 11 June.

Contact us if you would like to talk to Ajda at the event.
