### **Seizing Opportunities: Credit and Equity Investing Across The Real Estate Landscape**

The dynamics for Real Estate are volatile. For investors, it can be daunting but could also be the best time for capital deployment. Join us to hear the views from our panel experts on the legal, tax and structuring implications of the current market for real estate investing.

This event is ideal for investors, managers, advisers, and service providers to get up to date with the latest news and trends.

Jersey Partner Matt McManus will be speaking on the panel and Nkechi Hokstad (Managing Associate) and Bill McGilivray (Head of Client Development) will also be attending.
