

The SPAC Conference 2024 will take place at the Westchester Country Club in New York from 11-12 June 2024.

Topics will include:

- SPAC liability under Inflation Reduction Act
- Reducing deSPAC litigation risks
- Why a PIPE raise is more important in 2024 than ever before
- Convincing shareholders to stick with the deal
- Positioning for an advantage after “too-hot” SPAC market
- Improving proxy preparation
- NRAs are killing sponsor profits (and what to do about it)
- Sectors to watch in 2024
- Can anything be done to control SPAC costs?
- What to learn from hedge funds making money off SPACs
