

The 5th IFSEA Conference on Risk, Reward and Reputation Management for Senior Executives & Founders will take place on Tuesday 25 June. It promises to be an exciting event, addressing some of the most cutting-edge issues affecting business leaders and founders - and their professional advisers.

Local Legal Services Director Helen Ruelle will be speaking at the event. Partner Blathnaid Evans will be attending.

Topics for discussion will include:

What is the future of working from anywhere? The tax, immigration, compliance and HR issues, as well as team connectivity and the developing trends for working remotely.

Please contact us if you would like to connect at the event.
