

The 2nd Annual IBA Asset Recovery Conference will take place from 4-6 December 2024 at the Riu Plaza España in Madrid, Spain.

The theme of this year's conference is "Tackling and conquering impediments to asset recovery".

Topics will include:

- Tackling and conquering common (and uncommon) defences raised in attempts to defeat asset recovery strategies and proceedings
- Tracing, preserving and recovering unique and difficult classes of assets: spotlight on maritime issues in asset recovery
- Targeting professional service providers who are the architects of asset protection and concealment models
- Roundtable Session: How do I preserve data and which country does it best?
- The ongoing impact of sanctions on enforcement
- Leveraging insolvency tools in asset recovery: different countries' approaches to transactions at undervalue
- Assisting victims of small(er) scale fraud and corruption
- The role of regulators in asset recovery
- Experiences of direct asset recovery via Article 53 of the United Nations Convention on Corruption

Ogier group partner and global head of Regulatory Rachel Cropper-Mawer and partner Jennifer Fox will both be attending the conference. Please reach out to them using the contact details below should you wish to connect at the event.
