

Ogier is delighted to be Beacon sponsor of this year's Guernsey Private Wealth Forum.

'Wealth in Transition' is the theme of the Forum and will explore the nature of change within families across the globe.

Experts will discuss approaches to the wealth transition, including succession planning, the benefits and drawbacks of family constitutions, managing complex family relationships and global families, settlor control, and Guernsey's experience with these evolving trends.

This year the guest speaker is Steven Bartlett, British Entrepreneur, speaker, investor, bestselling author and the host of Europe's No1. Podcast 'The Diary of a CEO'.

If you would like to connect at the event, please get in touch directly.
