Areas of expertise

Corporate Services - Ogier Global

Background and experience

Before joining Ogier in 2023, Shannon has worked at other leading financial companies and has more than 9 years of experience in the offshore fiduciary service industry, working with a broad range of clients from multinational FTSE 100 companies to smaller private businesses.

Shannon specialises in executive incentive schemes, corporate and trust structures, commercial and residential real estate and general investment holding companies.

Shannon holds a diploma in International Finance and Administration from the Institute of Chartered Secretaries and Administrators.

In 2024, Shannon was shortlisted for Jersey Finance's Rising Star award in the Trust and Corporate division.
