

Rachael Reynolds KC and Diana Rodriguez will be attending this Exchange designed to tackle the most critical issues in the private client sector. There will be intimate discussions led by world-renowned advisers, thought-provoking debates, and networking opportunities.

Rachael will be speaking on "*A New Frontier in Trust Litigation? Unfair Prejudice and Other Claims vs. PTCs*" which will examine how we can bring claims against Private Trust Companies which are having a surge in popularity. She will examine unfair prejudice, and alternative remedies.

Please contact Rachael or Diana directly if you would like to connect at the event.
