

Ogier recognised as the largest top-tier offshore law firm in eprivateclient 2024 listing

News - 04/11/2024

Eprivateclient has ranked Ogier in tier one for its multi-jurisdictional private client offering, acknowledging the firm as having the largest private client team of any offshore law firm.

This recognition follows Ogier being named Contentious Trust and Estates Team of the Year (large firm) and shortlisted for International Team of the Year (large firm) at the 2024 STEP Private Client Awards. Additionally, Ogier received a top-tier ranking in the 2024 Chambers High Net Worth Guide.

Ogier's trusts team is the only one to be ranked top tier in Cayman, Guernsey and Jersey across the leading directories. Over the past 12 months, the team has experienced significant growth and continues to lead on the number of private client partners, overall team size and jurisdictions covered.

This latest recognition marks another milestone for Ogier, following the expansion of its global reach with the opening of an office in Dubai. This new office enhances Ogier's ability to provide on the ground advisory services to ultra high net worth families in the Middle East, assisting them in structuring and supporting their wealth.

Global Head of Private Wealth Matt Guthrie said: "We're honoured to once again receive this recognition from eprivateclient. This listing, along with our recent accolades, is a testament to the dedication and excellence of our Private Wealth team and our wider Trusts Advisory Group. The continued growth of our private wealth offering would not be possible without the support of our loyal client base and the network of intermediaries we are proud to partner with."
