Ogier's Corporate experts have provided Luxembourg and Jersey law advice to Invesco Real Estate, the esteemed US\$90 billion global real estate investment manager, on its joint venture with GARBE Industrial Real Estate.

The firm worked alongside McDermott Will & Emery on the joint venture, which is structured as a limited partnership. The partnership marks a significant step in the acquisition and development of prime logistics space in the East Midlands, with the aim of developing approximately 500,000 square foot of Class A industrial units for logistics and industrial use.

The team was led by Luxembourg partner Bertrand Gérardin and associate Rebecca Brooke.

"This landmark deal showcases Ogier's expertise in handling complex, multi-jurisdictional transactions and highlights our ability to provide clients with seamless Luxembourg and Jersey legal expertise," said Bertrand.

"The collaboration with McDermott demonstrates our firms' shared commitment to supporting our clients' expansion and success in the highly competitive real estate sector - and cements Ogier's position as a trusted adviser in the international legal landscape."
