## Background and experience

Sylvain's expertise spans cross-border financing, fund finance and general lending on both the lender and sponsor sides.

Before joining Ogier, Sylvain worked in top tier international law firms in Luxembourg and France, gaining experience in both banking and finance and investment funds transactions.

He holds an LLM degree in Law and International Management from HEC Paris, a master's degree from Université of Nice in Banking and Financial Law and a Bachelor of Law degree from Université of Toulouse.

Sylvain is fluent in French, English, Spanish and Italian.
