Business Services Team

Background and experience

Bill was educated in the US where he received a BSc in business from St. Michael's College, Vermont, and an MBA with a focus on finance and investments from Clarkson University in New York.

Beginning his career in Boston, Massachusetts, Bill provided management consultancy services to some of the USA's leading asset managers, and developed particular specialisms in wealth management, fund management and administration. Since moving to London in 2008, Bill has worked in

private wealth management, developing relationships with UHNW families, family offices and their advisors with a focus on real estate and alternative investments.
