Corporate and Fiduciary

Corporate Services - Ogier Global

Ogier Global

Private Wealth Services - Ogier Global

Background and experience

Lucy has more than 25 years' experience in offshore finance sector and is a member of the Society of Trust and Estate Practitioners.

Before joining Ogier in 2019, Lucy was part of a global administration provider's private wealth team where she had day-to-day responsibility for all aspects of private wealth, in particular managing a wide range of client relationships together with managing a team of over 10 people. She was appointed to the board of a number of client entities and was also heavily involved in running and overseeing internal projects and business development.
