Fund Administration

Background and experience

Matthew oversees the administration of a number of client portfolios and works as part of a larger team that services a variety of complex real estate and fund structures, in the commercial and residential sectors.

Matthew specialises in the administration of UK and European regulated and unregulated property holding vehicles and has worked exclusively in this area since beginning his career in the Jersey financial services industry.

Matthew graduated from Plymouth University with a BA (Hons) Financial Services in 2014 and graduated from the Institute of Chartered Secretaries and Administrators (ICSA) in 2019, becoming a qualified Chartered Secretary.
