Corporate Services - Ogier Global

Ogier Global

Background and experience

Prior to joining Ogier, Daisy worked in various management roles with other leading financial services industry experts in the Cayman Islands, where she worked closely with BVI and Hong Kong teams.

Daisy has been in the financial services industry for more than 14 years. She has significant experience in leading and managing teams of corporate administrators with a focus on the establishment and administration of corporate vehicles.

Daisy holds a Bachelor of Law (Hons) with the University of Liverpool and has earned the ICSA Level 4 Certificate in International Finance and Administration.
