Real Estate

## Background and experience

Shayne has extensive experience in the City of London working on a wide range of commercial property matters. He trained and qualified in London specialising in brownfield, urban generation projects such as the 2,000 unit redevelopment of the historic Royal Arsenal Woolwich site for a listed house builder. Shayne joined Ogier Lemon in 2018 having returned to Dublin after spending eight years in France and has a BA in European studies, Law and French from the University of Limerick. He is also fluent in French.
