Background and experience

Before joining Ogier's Ireland office, Laura previously worked in a general practice firm in Galway for a year specialising in probate, conveyancing, employment and personal injury matters.

Laura received her Bachelors of Civil Law and French from NUIG in Galway. During her studies she spent a year in Bordeaux, France studying law through French.

Laura went on to complete a Masters in Law and Technology in Utrecht, the Netherlands, where she studied topics such as artificial intelligence regulation, consumer protection in a digital society, competition law for market platforms, cyber security and GDPR compliance.
