

## Finalists announced for the Guernsey Property and Construction Awards

News - 17/09/2019

The finalists have been announced for the 2019 Ogier-sponsored Guernsey Property & Construction Awards.

The Guernsey Property & Construction Awards aim to highlight and celebrate the contribution the property and construction sector make to Guernsey's economic success.

This year's categories include: Aspiring Star, Engineering Project of the Year, Innovation Award, Commercial Property Professional of the Year, Residential Property Professional of the Year, Construction Professional of the Year, and Industry Supplier of the Year.

There will also be a special Lifetime Achievement Award presented on the night.

Advocate Martyn Baudains was part of the expert judging panel who have chosen the finalists amongst this year's strong submissions.

Following a public nomination period earlier this year, the following finalists have been chosen for each category.

Martyn said: "The Guernsey Property and Construction awards continue to go from strength to strength, with this year's entries being particularly exceptional. Ogier is proud to showcase the excellence in Guernsey property and construction and we look forward to celebrating the industry's stars at the upcoming awards ceremony."

The winners will be announced at a ceremony on Thursday 14 November at the St Pierre Park Hotel.
