

Praise for Ogier's Trusts Advisory Group in Cayman in new Chambers HNW Guide

News - 14/07/2020

"Very helpful and highly responsive" – the trusts experts and specialist litigators in Ogier's Cayman Trusts Advisory Group are praised for their technical skills and client service by the new edition of Chambers HNW, an independent review of the world's top private wealth advisors.

Anthony Partridge, who heads Ogier's Cayman Private Wealth team and has extensive expertise in non-contentious trusts matters, "is very responsive, very pragmatic and does very good written work. He delivers everything on time and grasps the law very quickly", says Chambers HNW.

Fraser Allister, named an Associate to Watch, represents a variety of individual and institutional clients on trust and succession planning matters. Chambers HNW says he is "extremely pragmatic, energetic and can multi-task fantastically". "He is a great person to have as part of the team."

Rachael Reynolds, who leads the firm's global dispute resolution team and the firm's specialist trusts disputes group, regularly acts in complex trust disputes, is "very thorough; an excellent litigator who you want with you and not against". "She gets the results the clients are looking for".

Ogier's practice partner in Cayman, James Bergstrom, said: "Ogier's private wealth offering in Cayman continues to be exceptional across both our contentious and non-contentious services. The team goes from strength to strength, and this excellent feedback in Chambers HNW attests to the high regard they are held in by both their clients and their peers."
