

Joyce Samuel students top students awarded with Ogier-sponsored tech

News - 22/07/2020

Ogier is delighted to be continuing its support for community partner Joyce Samuel Primary School by providing congratulatory gifts for the top students at the 2020 Exit Ceremony.

The graduation day took place on Wednesday 22 July 2020 and Ogier are providing laptops and printers to be awarded to the top three graduating students as a congratulatory gift as they prepare themselves for secondary school.

Decoy Mactavious, practice manager of Ogier's BVI office, will be attending the socially distanced event which also marks the first time the school's students, teachers and supporters have been able to come together since the beginning of lockdown restrictions. "This is such an important time for the students and we're delighted to be playing our part in making it memorable and providing equipment which will help in the next stage of their education," he said

Ogier's support of Joyce Samuel Primary School is the latest step in a relationship that goes back to 2010 and included assistance with building and equipment replacement in the wake of 2017's Hurricane Irma.

"Over the years we have developed a strong relationship with the school and it has been a pleasure seeing it go from strength to strength," said Decoy.
