

Ogier's BVI Dispute Resolution team named Litigation Practice of the Year

News - 31/03/2021

Ogier's BVI Dispute Resolution team has been named Litigation Practice of the Year, voted for by industry peers, in BVI Finance's 2020 Financial Services Awards.

This is the latest industry recognition for the market-leading team, which was described by clients as "the stand-out offshore firm for complex multi-jurisdictional litigation and arbitration" in the Legal 500 Caribbean 2021.

The team has successfully acted on many of the largest, ground-breaking cases in the BVI over the past year, including the \$1.5bn Constellation Group restructuring and successfully representing US investors in setting aside a private placement of shares that entrenched the existing board in *IsZo Capital LP v Nam Tai Property Inc & Ors*.

Global Head of BVI Dispute Resolution Brian Lacy said: "We're delighted to have received this recognition from BVI Finance, and I'd like to thank everyone who voted for us in the industry. The quality of our team at every level, from paralegal to assistant to partner, enables us to deliver the high level of service we're known for in the market. I'd like to thank every member of the BVI Dispute Resolution team for their contribution to our collective success."
