

Three Ogier partners in Jersey named as IFLR1000 Women Leaders 2021

News - 11/05/2021

Ogier's global head of Banking and Finance, Katrina Edge, has become the latest Jersey partner to feature in the IFLR1000 Women Leaders guide.

Recognised for a second time is head of Investment Funds in Jersey Niamh Lalor and investment funds specialist Emily Haithwaite, who have both been rated as "market leaders" by the publication.

The 2021 edition is the most comprehensive yet, featuring more than 750 of the most prominent female lawyers from around the world working in financial and corporate transactions and contract, licensing and regulatory project work. A total of seven women in Jersey are included.

"This is an elite group of lawyers with outstanding reputations within their markets who either have expertise and experience of working on complex deals, or who have risen to hold leadership roles with their firms or their practices. For some individuals both these things are true," according to IFLR1000.

IFLR1000's research teams in Hong Kong, London, New York and Sofia analyse thousands of research submissions, conduct thousands of interviews with law firm partners, and survey tens of thousands of clients to determine its Women Leaders.

Jersey practice Partner Raulin Amy said: "It is exceptional for Ogier in Jersey to have three of our partners recognised as Women Leaders by the IFLR1000. It's a real testament to the outstanding skill and commitment demonstrated by all three individuals, who truly are leaders in their field."
