

Ogier to lead workshops at ThoughtLeaders4 FIRE UK Welcome Back Summit

News - 17/09/2021

Ogier is proud to sponsor Thought4Leaders FIRE UK Welcome Back Summit as a workshop partner.

The two day summit, which takes place on 23 – 24 September at Syon Park in London, presents an opportunity for practitioners across contentious insolvency, fraud litigation and international enforcement to share expert insights and best practice. As the first in-person event held by the FIRE community for the past 18 months, it also provides a valuable opportunity for networking.

Over the two days, both broad and in-depth insights into particular areas – including cryptocurrency and ESG – will be offered through a range of talks, roundtables, and workshops.

Jeremy Snead, partner in Ogier's Cayman law Dispute Resolution team in Europe, will be leading a series of workshops titled "ESG, Sustainable Fraud and Insolvency," alongside co-host Fay Warrilow from the Dispute Resolution team in Guernsey.

Partners Brian Lacy, Mathew Newman, Alex Horsbrugh-Porter, Oliver Passmore, Nick Williams and counsel Rebecca McNulty will also be attending.

Jeremy said: "We are very excited to sponsor the Welcome Back Summit and we are looking forward to meeting other practitioners, in-person, to discuss the latest developments and share insights. In our workshop, we will explore with the attendees the opportunities, challenges and threats that ESG presents in relation to Fraud and Insolvency."
