News - 29/09/2021

Trusts Advisory Group partners Damian Evans and Sandie Lyne are attending the Transcontinental Trusts Geneva Conference, taking place 13-15 October, where Sandie will also appear on a panel discussing how trustees should tackle historical shortcomings in trust management.

The panel will specifically address whether trustees can seek to right mistakes of the past and consider the recent decision in *C Trust* [2019] SC (Bda) 44 Civ.

Sandie said: "We're pleased to be attending the Transcontinental Trusts Geneva Forum and to have this opportunity to meet with industry peers in person. I also look forward to joining fellow panellists to discuss historical shortcomings in trust management and what trustees can do who find themselves in this situation."
