

Ogier ranked among Luxembourg's top law firms in Leaders League 2022

News - 03/12/2021

Leaders League has ranked Ogier among the top Luxembourg law firms, rating it as "excellent" for private equity and fund structuring, and "highly recommended" for transfer pricing, transfer pricing tax, corporate tax, restructuring and insolvency, banking and finance, wealth management, and mergers and acquisitions.

In its 2022 edition, the international rating agency has also singled out eight individuals from Ogier for recognition: Bertrand Geradin, Laurent Thailly, Jad Nader, H el ene Arvis.

"Despite a challenging year, our Luxembourg team has continued to deliver outstanding services to clients, and it's great to have their hard work and technical expertise recognised by Leaders League's latest rankings," said practice partner and co-founder of Ogier's Luxembourg office.

"Since our launch in 2012, the Luxembourg team has delivered year-on-year growth, having expanded from two partners to eight - and we've been able to promote half of those from within. Many of our team are dual-qualified lawyers, whose wealth of international experience makes them well-placed to apply a global perspective to Luxembourg as a leading international investment domicile."

Ogier is the first and longest-standing established international offshore firm in Luxembourg, where the team acts for leading investment fund managers, banks, corporate and institutional clients based primarily in London, Continental Europe, East Asia and North America.
