

Ogier leads the pack in 2022 eprivateclient Top Offshore Law Firms list

News - 26/10/2022

Eprivateclient has ranked Ogier in the top tier for its private client offering, with the firm fielding the largest private client team of any offshore law firm.

The recognition follows Ogier being named Offshore Law Firm of the year at the Chambers HNW awards and at the eprivateclient excellence awards.

Ogier's is the only trusts team to be ranked top tier in Cayman, Guernsey and Jersey across the leading directories, and has seen significant growth over the past 12 months, including the doubling in size of its Guernsey team.

This win is the latest milestone for Ogier after 12 months of record headcount and income growth, a merger with Dublin law firm Ogier Leman, and the expansion of Ogier's jurisdictional footprint with new offices in Singapore and Beijing.

Global head of Private Wealth Matt Guthrie said: "We're delighted to receive this recognition from eprivateclient following a year of significant milestones both for Ogier as a firm and for our Private Wealth and contentious trusts teams. Embracing a culture of innovation and inclusion has been fundamental to this success and this achievement is very much testament to the work and talent of our people across the globe."
