

## Ogier recognised as leading legal adviser by IFLR1000

News - 12/10/2015

Ogier has been recognised as a leader among legal advisers in the Financial & Corporate and Investment Funds markets in Guernsey and Jersey by IFLR1000.

IFLR1000 provides tiered rankings of the leading financial and corporate law firms by region, market and practice area. In its latest guide, Ogier is ranked Tier 1 in Financial & Corporate in Guernsey and Jersey, and in Investment Funds in Guernsey.

Guernsey partner Marcus Leese said: “Maintaining our tier 1 ranking for Financial & Corporate as well as for Investment Funds in Guernsey is exceptionally good news. We’re extremely pleased that the views of our clients and the market on the quality work we’ve undertaken during the past year have been recognised.

“And with the addition to the Guernsey office in the past six months of Christopher Jones and Bryon Rees as two further partners focused upon Financial & Corporate and Investment Funds, as well as the hiring of a number of further associates, we’re well placed to build upon this excellent ranking in the coming year and beyond.”

Jersey partner Raulin Amy added: “We are delighted that the strength of the corporate and finance teams has once again been recognised in Jersey as it continues to win significant mandates and be at the forefront of international transactional work.”
