If so, we may need to obtain a letter from your doctor confirming your capacity to make a will or ask that your doctor acts as one of the witnesses to your will.

Executor

You are required to appoint an executor of your will covering your Jersey estate who will carry out your wishes in accordance with the terms of your will. An executor will apply for a Grant of Probate to your movable will and is responsible for gathering in and accounting for all of your Jersey assets and settling any debts and then distributing the balance.

Please note that in Jersey, the executor of a will is required to make an actual physical appearance in the Royal Court of Jersey in order to make the application for the Grant of Probate to your will. They will therefore need to travel to Jersey for this purpose, or appoint a local agent, such as Ogier, to act on their behalf by way of Power of Attorney. It can therefore be easier to appoint a local agent, such as Ogier, as executor of your Jersey Will in the first instance.

Ogier has an executorship company that is set up to provide professional executor services if required, however there are costs involved with this that are usually deducted from the estate funds in due course.

Would you like to name Ogier as your executor?

Yes

No

If no - executor name and address

Substitutional executor name and address (in case the first named person predeceases you or is unable or willing to act). Ogier can act in this regard if required.

Assets

Please outline the extent of your Jersey-based assets (bank accounts, investments, life policies, chattels, vehicles etc.) where they are based and how they are held (jointly/sole name).

Who are the intended beneficiaries of your residual movable estate - that is, the rest of your movable estate after any gifts/legacies mentioned above have been paid out?

Beneficiary name	Relation	Address	Age	Name of property and percentage to inherit

In the event that the person/s named above do not survive you, who would you wish to benefit in their place?
