

# Hong Kong Companies Registry (CR) has introduced a New Inspection Regime

Insights - 24/10/2022

Currently, sensitive personal information includes usual residential addresses and/or full identification numbers of directors, company secretaries and other individuals including liquidators and provisional liquidators of Hong Kong companies (collectively **Protected Information**) are available for public inspection.

With effect from 24 October 2022 (Phase 2), the Protected Information will be replaced with the following for public inspection:

- **correspondence addresses**- deemed as the company's registered office or principal place of business until otherwise address is filed; and
- **partial identification numbers**- only the first half of the sequence would be made available for public inspection.

Only "specified persons", including but not limited to a solicitor or foreign lawyer, or a financial institution or designated non-financial businesses and professions, could apply to the Hong Kong Companies Registry (CR) for access to Protected Information.

Ogier's Corporate Administration team in Hong Kong is here to help. We are able to advise Hong Kong companies on the necessary formalities in compliance with this new regime, and to support your operation in Hong Kong.
