

Senior Associate Cline Glidden will attend the 3rd Annual Family Office Experience (FOE) event in Grand Cayman - *The Future of Finance 2.0*

Cayman offers many advantages as an offshore financial jurisdiction and the FOE brings together family offices, UHNWIs, professional athletes, legal advisors and key industry players in an intimate setting to discuss the industry's most topical trends and issues.

If you are attending the FOE, or plan on visiting the Cayman Islands, consider connecting with Cline to discuss your options.
