

Cayman Alternative Investment Summit (CAIS) is an annual conference that convenes leading thinkers and decision makers from diverse segments of the global alternatives industry to discuss and debate the challenges and opportunities that will define the future of the industry.

Ogier investment funds specialists, partner [Joanne Huckle](#) and counsel [Emma Sutherland](#), will join alternative investment managers, institutional investors, economists, policymakers and academics for two full days of keynote presentations and panel sessions to explore the theme **Global. Digital. Responsible.**

The conference will include discussions focused on Globalisation, Geopolitical Risk, Artificial Intelligence, Automation, Digitisation, Climate, ESG and Responsible Investing.
