

The Cayman Islands and the British Virgin Islands, two of the most popular jurisdictions for private equity, venture capital, real estate and credit funds, have each recently introduced a new regulatory regime for closed ended private investment funds, bringing all such funds for the first time within scope for regulation in the islands.

During this webinar, [Kate Hodson](#) and [Simon Schilder](#) will be discussing the following topics:

- *The new regulatory regimes for private funds*
- *The similarities and differences between the Cayman and BVI regimes*
- *Practical implications for fund managers*
