

Join our partners Joanne Huckle and Nick Rogers for a presentation covering the new Cayman Islands regulatory regime applicable to private equity and other closed ended funds. The presentation will cover the latest regulatory developments and will include:

- An introduction to the regulatory framework
- A look at closed ended fund vehicles that fall inside and outside of the new regime
- Practical implications for fund sponsors - timing, next steps, documentation and registration
- An overview of the ongoing operating requirements for in scope vehicles

The presentation will begin at 11:00am EST
